Subject: Mandatory EHS School Immunization Registration and Vaccination Consent

Dear Parents,

Greetings from Woodlem Park Al Hamidiya Private School!

As per the latest requirements of Emirates Health Services (EHS), all students are required to be registered under the School Immunization System. Parents are therefore requested to ensure that their child's immunization details are updated and complete in the system. This registration is an important part of maintaining accurate health records and supporting the school health and immunization programme.

Parents are kindly requested to complete the registration of your ward using your UAE PASS through the link provided below:

https://services.ehs.gov.ae/Consent?type=5IiwPStHKl0k8_UVw-r49w

Please follow the steps below to complete the EHS Vaccination Consent Form:

1. Open the EHS link provided by the school.
2. You will be redirected to UAE PASS. Open UAE PASS and confirm the verification code/request.
3. Once the UAE PASS verification is completed, return to the EHS link/page.
4. Please wait for a few moments while the EHS Consent Form loads.
5. The EHS Vaccination Consent Form will then open.
6. Complete all the required medical details and provide your consent for vaccination.
7. After successfully submitting the form, take a screenshot of the confirmation page showing "Consent submitted successfully."
8. Send the screenshot to your child's class teacher as confirmation of submission on or before **Monday, 14th September 2026**

We therefore request all parents to complete the process within the stipulated deadline to avoid any inconvenience and to ensure that your child's health records are maintained accurately in accordance with EHS requirements.

Your prompt cooperation and support in completing this mandatory requirement are highly appreciated.

Warm Regards,

Principal
