Subject: Coffee Morning with the Principal – KG2

Dear Parents,

Greetings from Woodlem Park Al Hamidiya Private School!

We are delighted to invite you to our upcoming **Coffee Morning with the Principal**, an informal and meaningful platform for parents to interact with the school team, share their thoughts, and gain insights into your child's early learning journey.

The early years are a crucial stage in a child's development. Strong collaboration between home and school plays an important role in building children's confidence, independence, social skills, and love for learning.

This gathering will provide an opportunity to:

- Discuss children's emotional well-being and adjustment to school routines, friendships, and classroom experience.
- Explore ways to support students' emotional well-being and confidence both at school and at home.
- Enhance home-school collaboration and communication to strengthen student learning outcomes.
- Share updates on upcoming academic plans and student engagement activities for the next term.
