Subject: PIRLS 2026 Assessment – 16th September (Wednesday)

Dear Parents,

Greetings from Woodlem Park Al Hamidiya Private School!

At Woodlem Park Al Hamidiya Private School, we are committed to providing our students with educational experiences that meet international benchmarks. Participation in globally recognized assessments allows us to measure student progress, align our teaching practices with international standards, and fulfill the requirements of the Ministry of Education (MOE).

What is PIRLS?

The **Progress in International Reading Literacy Study** (PIRLS) is an internationally recognized assessment that evaluates students' reading literacy skills. It focuses on students' ability to understand, interpret, analyze, and reflect on written texts. PIRLS provides valuable insights into students' reading strengths and areas for improvement, enabling teachers and parents to support academic growth effectively.

We are pleased to inform you that the PIRLS 2026 assessment will be conducted on Wednesday, 16th September 2026 for the selected students. Attendance is mandatory, and we encourage you to ensure that your child is present, punctual, and prepared for this important international assessment.

Participation in PIRLS helps students develop critical reading skills, which are essential for academic success in English and other subjects, and gives them exposure to international assessment standards.

We thank you for your continued support in helping us maintain high academic standards and provide your child with opportunities to excel at both national and international levels.

Warm Regards,

Principal
