

Subject: Kindergarten Learning Bridge Programme

Dear Parents,

Greetings from Woodlem Park Al Hamidiya Private School!

We are pleased to introduce a **Kindergarten Foundation Boost Programme** for our Kindergarten students. The sessions will include engaging, hands-on activities and guided practice in areas such as literacy, phonics, language development, numeracy and early writing, with support based on the learning needs identified through the baseline assessment.

Programme Details

Day	Focus Area	Session
Tuesday	English	Literacy, phonics, language development and writing practice
Thursday	Mathematics	Numeracy concepts, mathematical thinking and writing/practice

Commencement: Tuesday, 06th October 2026

Duration: Approximately two months

Dispersal: 2:00 p.m. along with the other grades

The extended sessions will provide students with opportunities to:

- Strengthen essential literacy and numeracy foundations.
- Reinforce concepts and learning experiences.
- Develop phonics, vocabulary, reading and early writing skills.
- Consolidate number concepts, mathematical thinking and early writing skills.
- Participate in fun, hands-on and activity-based learning.
- Receive guided individual and small-group support based on their learning needs.
- Build confidence, independence and a positive attitude towards learning.

Students who have been identified for the Kindergarten Learning Bridge Programme will be informed by their respective Class Teachers on 28th September 2026. Selected students will attend the extended sessions on Tuesdays and Thursdays as per the programme schedule.

A lunch break will be provided during the extended session. Parents are requested to send lunch for their child on the programme days. The detailed timetable and planner will be shared with the parents of the selected students.

We sincerely appreciate your support and partnership in helping your child make a smooth and successful transition into the Kindergarten learning journey.
