

Subject: Enhancing Learning Through Educational Applications – TabbieMe & Islamic Treasures

Dear Parents,
Greetings from Woodlem Park Al Hamidiya Private School!

As part of the school's continued efforts to enhance students' learning and academic development, **TabbieMe and Islamic Treasures were introduced at the beginning of the current academic year** and have since been integrated into the school's learning practices. The applications are currently being used by students across the school to support regular practice, reinforce learning, and strengthen key academic skills.

1. TabbieMe Application – Grade 3 to Grade 10

TabbieMe is an interactive digital learning platform designed to strengthen students' **Mathematics and Science** skills through structured practice and engaging activities. The application supports students in:

- Developing problem-solving and logical thinking skills.
- Improving speed and accuracy in Mathematics and Science.
- Strengthening conceptual understanding through regular practice.
- Building confidence in independent learning.

2. Islamic Treasures Application – Grade 1 to Grade 10

Islamic Treasures is an educational application designed to support students in developing a better understanding of Islamic teachings. It focuses on:

- Improving Quran recitation skills.
- Strengthening Tajweed rules and pronunciation.
- Developing a clear and guided understanding of Islamic concepts.
- Addressing misconceptions and strengthening foundational knowledge.

Kindly note that Islamic Treasures Application is applicable only for Muslim students.

Subscription Details

The annual subscription cost is as follows:

- **TabbieMe: AED 25 per year**
- **Islamic Treasures Application: AED 25 per year**

The total cost is AED 50 per year for Muslim Students and AED 25 per year for Non-Muslim students, The payment can be made along with the October month fee.

For students who joined the school from September 2026 onwards, the applicable subscription charges will be **added to the student's fee account**, and access to the relevant application will be activated from **October 2026**.

We encourage parents to support their children in making effective use of these applications as part of their regular learning and academic development.

Warm Regards,

Principal
