

Subject: School Book Fair – Encouraging the Joy of Reading

Dear Parents,
Greetings from Woodlem Park Al Hamidiya Private School!

We are delighted to announce that our school will be hosting a **Book Fair from 12th to 17th October 2026** inside the school campus during the school hours. Books are gateways to imagination, creativity, and knowledge. Encouraging children to read from an early age helps them develop vocabulary, comprehension, and a lifelong love for learning. The Book Fair aims to nurture this beautiful habit of reading among our students, making books an exciting and accessible part of their daily lives.

To provide a convenient and comfortable experience for our students, the Book Fair will be arranged at the following locations. Students from the respective grades are requested to visit the designated location for the Book Fair and are encouraged to purchase books.

We encourage every child to explore, choose, and enjoy books of their choice—because every book they open is a new world they discover.
