

**Subject: International Benchmark Assessments: CAT4 and ASSET**

Dear Parents,

Greetings from Woodlem Park Al Hamidiya Private School!

As part of our ongoing commitment to monitoring and enhancing students' academic progress, the school will be conducting the internationally recognised benchmark assessments – **CAT4 (Cognitive Abilities Test) and ASSET (Assessment of Scholastic Skills through Educational Testing)** during the academic year 2026–2027.

These assessments will provide valuable insights into students' cognitive abilities, learning profiles, conceptual understanding, strengths, and areas for improvement. The results will support effective teaching, learning, and academic planning.

- **CAT4** assesses students in four areas: **Verbal, Quantitative, Non-Verbal, and Spatial Reasoning.**
- **ASSET** evaluates students' **scholastic skills and conceptual understanding in Mathematics, Science, and English.**

**Cost and Schedule**

**CAT4: AED 105**

**ASSET: AED 90**

**The assessment fee will be added to the applicable student's fee account and can be paid along with the next monthly fee payment.**

**CAT4: This year, the assessment will be conducted for Grades 3 to 10, excluding students who participated in CAT4 during the previous academic year. The detailed schedule will be shared soon.**

**ASSET: The assessment will be conducted later in the month of January 2027 for Grades 3 to 9.** Orientation and preparation sessions will be provided to students before the assessment.

As these assessments are mandatory, we kindly request parents to ensure that students are present on the scheduled assessment days.

We appreciate your continued support and cooperation in strengthening our students' learning and academic progress.

**Principal  
Shiny Davison**
