Subject: Let Us Build a Reading Culture at WPH!

Dear Parents,

Greetings from Woodlem Park Al Hamidiya Private School!

Reading opens doors to imagination, knowledge, and lifelong learning. At Woodlem Park School Al Hamidiya, we believe that reading should be an integral part of every child's daily experience, both inside and outside the classroom.

To strengthen our reading culture, we aim to establish more reading corners across the school, making books easily accessible to children and encouraging them to develop a lifelong love for reading.

In this regard, we kindly request each child to contribute **one used book from home**, in clean and readable condition, to help us enrich our reading corners.

Book Collection Dates: 20th October to 30th October 2026

Children may hand over their books to their respective class teachers during this period.

Let us join hands to nurture a generation of enthusiastic readers and make reading a joyful part of everyday school life. Every book shared can inspire a young mind!

Thank you for your continued support and partnership.
